

Welcome to see your 2001 – 2018 results of research and experiments at
<http://www.faraday.ru>

In 2003 we have got first real results. In 2018 we plan to create new laboratory and develop free energy technologies for commercial applications.

Now we have own 3000 sq.m. land in Russia and we try to build and equip new laboratory.
Please help!
